

## Primary 5 Teams Homework Channel

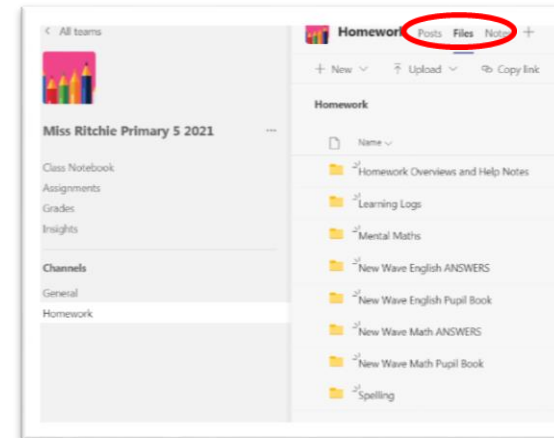

1. All Homework Resources have been saved on **Teams**.

2. Resources can be accessed via the **Homework Channel**.

3. They are saved in the **Files** section at the top of the **Homework Channel**.

There is a separated folder for each:

- Spelling
- Mental Maths
- New Wave English (including answers for parents)
- New Wave Maths (including answers for parents)

4. Please refer to the 'Homework Grid' on the bottom of your 'Password Page' in order to access the appropriate work for your child.

Example:

Homework			
New Wave English	New Wave Maths	Spellings	Mental Maths
Orange	Green	Green	Pink

5. **Homework Books:**

Please use Homework Book 1 for Spelling Activities and Mental Maths Tasks. Please keep this book at home.

Use Homework Book 2 when answering New Wave English and New Wave Maths Tasks. The first page has been already been ruled out as an example page, children should continue to use this format in the following weeks when laying out their work. Please keep this book at home.

On either a Thursday evening or Friday morning please correct and sign your child's homework for the week. Once it is fully complete, I would appreciate that you take two photographs (one of New Wave English and the other of New Wave Maths) and send these to me via Teams Assignments. I do not need to see Spelling Activities or Mental Maths Tasks as the children will be tested in these areas on a Friday.

Children should be reading for at least 20 mins every night Monday - Thursday. Reading should be completed from the myOn App which has been set to each individual child's reading level. Children can also read a suitably levelled book at home.

If you have any problems, please let me know. Many Thanks.
